STEP I Verbal – Highest ranking shift supervisor.

An employee who believes he has a grievance shall, with a steward, discuss the grievance with his highest-ranking shift supervisor in an honest effort to resolve it.

When the retiree turns 65 and applies for Medicare, then both the retiree and spouse shall be placed into the Township's post-65 supplemental Plan which will be supplemental to Medicare.

Any employee who retires may not add a dependent to their health insurance after they have left the service of the Township.

Employees who were or are in the DROP at the time of ratification of this Agreement by both parties, will, upon final separation from employment at the Township, have the same retiree medical insurance benefits that were in effect and provided to them when they entered the DROP.

Employees hired on or after January 1, 2022 will no longer receive Township provided retiree health insurance. Instead, they will receive a "retiree health savings account (RHSA)" administered through MERS or comparable organization and maintained during the course of their employment with the Township. During the term of this agreement, both the Township and the employee shall each contribute one and one half (1.5%) of annual base wages to this account.

The account balance attributed to the Township contributions will vest upon four (4) years of full-time employment with the Township. Any employee contributions made, as permitted by the Plan, will be immediately vested at 100%.

Thereafter, the spouse or dependent children may purchase health care insurance through the Township pursuant to the provisions of federal law.

30.9: Changing Health Care Providers: The parties agree to reopen negotiations at any time during the course of this contract when the Employer desires to present comparable and new health care provisions as a consequence of changing health care providers. Any such reopening of negotiations under this Section shall be limited to negotiations regarding health care provisions only and no changes in the present plan shall be implemented until an agreement is reached.

30.10: In the event an Employee is injured in a motor vehicle accident in the course of his duty, so as to be eligible for personal protection insurance benefits under the Michigan No-Fault Act, MCLA 500.3101 et seq., payable from the Township, the parties agree that any Workers' Compensation benefits and duty disability benefits to which the Employee may be entitled shall be subtracted from the personal protection insurance benefits otherwise payable for the injury. DROP election had not been made. In the event of revocation of R.T.P.O.A. DROP participation as provided herein, there shall be no requirement for retroactive payment of employee contributions which would otherwise have been paid to the Redford Township Police and Fire Retirement System as stated in Article XXXVI of this Working Agreement and the Employee shall receive service credit for all service rendered during the R.T.P.O.A. DROP participation or as otherwise provided in the applicable collective bargaining agreement.

38. 14: INTERNAL REVENUE SERVICE/LEGAL COMPLIANCE.

The Internal Revenue Service has generally accepted the concept of a Deferred Retirement Option Plan because the Employee/participant does not have either actual or constructive receipt of the DROP payments (while participating in a DROP), and the participant ceases to accumulate additional credit toward retirement benefits once DROP participation commences. The R.T.P.O.A. DROP is intended to operate in accordance with the Internal Revenue Service Code, as amended, as well as with any other applicable laws and regulations, State of Michigan or Federal. In the event the Trustees of the Redford Township Police and Fire Retirement System finds any R.T.P.O.A. DROP provision to be in violation of any applicable law, that provision shall be null and void and the remaining R.T.P.O.A. DROP provisions shall constitute the terms of the R.T.P.O.A. DROP.

38.15: PURCHASE OF MILITARY SERVICE TIME

Any R.T.P.O.A. member who has prior military service time may purchase up to four (4) years of prior military service time with proof of service off of said member's DD214. Military purchase time will be at a cost of five percent (5%) and must be used for the sole purpose of making said employee eligible for R.T.P.O.A. DROP participation.

37.16: EXIT CONFERENCE

A member and spouse within six months of retirement may take part in an exit conference for a review of pension benefits and health insurance during retirement. Such exit conference will be with the Township's benefit coordinator or designee.

38.17: R.T.P.O.A. DROP MEMBERS BENEFIT CHANGES

A member that enters the R.T.P.O.A. DROP will lose Holiday Pay after the date of their entry into the R.T.P.O.A. DROP, and be paid at the rate of time and one-half of said Member's pay rate for those members having to work the holiday. Members in the R.T.P.O.A. DROP may be given a paid day off to be determined by the Superintendent in charge of said R.T.P.O.A. member in lieu of working and being paid at the rate of time and one-half of said member's wage.

38.18 Effective October 26, 2021 the DROP is modified as follows:

Only a member who is eligible to retire and receive a normal retirement pension as a result of accruing 25 years' service, may elect to participate in the R.T.P.O.A.

The member shall apply for enrollment in the DROP in writing pursuant to 37.4 and:

- A. Those entering the DROP after December 31,2021, shall remain for a period no less than six months and no greater than sixty months. Those in the DROP as of December 31,2021 shall have a maximum period to remain in the DROP of eighty-four (84) months.
- B Elect a DROP beneficiary.
- C The System shall calculate the member's retirement allowance amount, including actuarial adjustments, if any, reflecting the form of payment elected and the beneficiary(ies) named by the members as of the Drop beginning date. The amount of credited service time, multiplier and average final compensation shall be fixed as of the participant's RTPOA DROP date. The multiplier shall be that which the employee last had as an employee **with no increase** (Ex. Employee pursuant to the CBA was last accruing benefits at a 2.5 multiplier. The regular monthly retirement benefit shall be calculated using that multiplier.) The retirement allowance, including, but not limited to average final compensation, shall be calculated pursuant to Art. 36.

- D. Upon the beginning date of the DROP period the member shall cease to accrue additional retirement benefits of any kind whether through service accruals, future pay increases, active cost of living adjustments, promotions or any other basis.
- E. Upon the beginning of the DROP period the member shall make employee contributions to the System in the amount of 5% annually and do so throughout the DROP period. Employee contributions shall not be deposited into the employee's DROP account. Instead, these contributions will be deposited into and become a part of the Redford Township Police and Fire Retirement System. Employer contributions based upon the earnings of the member shall not continue during the DROP period.
- F. During the DROP period a member shall remain employed with Redford Township subject to all other terms and conditions of active employment including any requiring the member to pay premium share for healthcare as well as contribute 3% annually to fund the member's retiree health care benefits.
- G. Effective as of the first day of the month following receipt and processing of all required documentation, and monthly thereafter, an amount equal to 100% of the monthly retirement allowance the member would have received if he or she had retired as of the DROP beginning date as determined in C above (" the DROP benefit") will be credited to the ("DROP account") for the benefit of the member. The DROP benefit shall be frozen as of the DROP beginning date and shall not be adjusted.
- H. The System shall credit those participating in the DROP as of December 31,2021, with interest in the amounts of 5% annually or prorated in the event a DROP period is fewer than twelve months.

The System shall credit the accounts of those entering the DROP on or after January 1,2022, with interest in the amount of 3% annually or prorated in the event a DROP period is fewer than twelve months. No interest shall accrue after a member terminates DROP participation.
- I. After the member terminates employment the DROP account shall be subject to court orders and statutory liens in the same manner as the monthly service retirement and according to the terms of a court order.
- J. Retention. Employees entering the DROP will have the following vesting requirements for the DROP accounts consistent with those in the CBA that expired on March 31, 2021:

0-12 months	20%
12-24 months	75%
24 months-separation	100%

DROP participants shall be fully vested regardless of time in the DROP in the event of disability or death.

K. Final separation and election.

1. Upon final separation of employment, the retiree shall receive the monthly retirement benefit previously credited to their DROP account pursuant to the payment option selected at the time of their entry into the DROP.
2. The member shall choose a date within twelve months of termination to receive a lump sum distribution equal to the amount credited to the member's DROP account. The member shall elect the form of distribution for the DROP account (lump sum distribution or eligible rollover) within 60 days of their separation date in a format determined by the System. If the member fails to make a timely election the System shall issue the amount credited to the members' DROP account as a lump sum. The lump sum distribution described herein is subject to all applicable taxes and withholding requirements.

L. Grandfathering.

Those who have entered the DROP prior to December 31, 2021 shall be subject to the present provisions of Article XXXVII between the parties other than those in paragraph 37.9 (B) herein requiring 5% annual contributions to the retirement system and paragraph 37.9 (C) herein requiring 3% contributions for the member's retiree health care benefits.

ARTICLE XXXVIX - ROLL CALL

39.1: All members of the bargaining unit may be required to appear fifteen (15) minutes prior to the commencement of their scheduled shift or work assignment. When roll call is required, employees shall receive a total of ten (10) hours pay at the employee's regular rate as compensation for attending any and all roll call formation in the previous calendar year. The ten (10) hours compensation shall be paid by February 15th, annually.

ARTICLE XL - RESERVES

40.1: Reserve officers will no longer be assigned regularly scheduled patrol car duty with a regular officer unless the regular officer volunteers for the assignment.

40.2: Property check car: The Township agrees to assign Reserve Police Officers, without regular Police Officers, to no more than two (2) property check cars. It will be marked with following language:

“Redford Township Reserve Police Property Check Car”

This language may be applied with a magnetic placard, so as to utilize the patrol unit as a regular duty vehicle, when not being used as a property check vehicle by reserve officers.

At no time shall reserve officers assume any function as fully sworn officer, unless paired with a full-time, fully sworn Redford Township Police Officer as stated in this Agreement. At which time they may perform under the direction of said full-time, fully sworn officer.

ARTICLE XLI - GENERAL PROVISIONS

41.1: It is expressly agreed and understood between the Township of Redford and the Police Officers Association of Michigan that there is no longer any parity clause in the POAM contract concerning wages, benefits or working conditions of any other Township group or Union.

41.2: The carry-over of excess vacation and personal leave time limits will be at the rate set forth in section 23.7.

41.3: All pay and leave time is to be based on that members' hire/anniversary date.

41.4: Layoffs shall be based on a Union member's seniority, hire/anniversary date. Part-time employees shall be laid off before any full-time employee is laid off.

41.5: The parties agree that, upon notification by either the Union or the Township, the parties will re-open negotiations for the following issues only:

- A. Creation of a public safety officer (i.e., officer performing both police and fire duties).

41.6: All time off to be used in whole hours, including sick time, vacation time, personal time and chit.

41.7: If an employee is to be promoted, all special pay and leave time shall be prorated from that members hire/anniversary date to the day before that member is to be promoted.

41.8 An employee placed on call at the end of said employees shift and until called in or 16 hours will be paid for 3 hours of on call pay. If the Township chooses not to place an employee on-call who is otherwise expected to report to duty during said employees off hours or compensate the employee with a take home departmental vehicle, the Township cannot recall said employee outside of that employee's work schedule except for contiguous time to that employee's work schedule.

41.9 The position of detective/investigator shall be established with a wage increase of 2% above that of the top pay of a police officer as established pursuant to this Agreement. A detective/investigator shall be defined as a police officer whose primary function is to adjudicate felony cases as the officer in charge and/or receives the 2% wage adjustment. Any additional positions established that do not fit the criteria of a detective/investigator shall not be subject to

the 2% wage increase. Each employee assigned as a detective/investigator may serve in such capacity for a minimum of five (5) years. The Chief of Police has the sole authority to transfer a detective/investigator back to the road patrol division based on the following criteria:

- A. Detective/investigator must have at least five (5) years in his or her current position.
- B. The two most senior detectives/investigators shall be transferred first. Seniority in a detective/investigator position is based upon that officer's experience/time in the current position that he or she holds not including previous time as a detective/investigator.

Further, the Chief of Police has the sole authority to make one (1) such transfer one (1) time per Township fiscal year (April 1st-March 31st) and upon such transfer shall lose the 2% wage adjustment. If an officer is removed from the detective/investigator position for cause or at their request, they shall lose the 2% wage adjustment immediately. Consistent with the terms of the COAM Agreement (Article 26.1-Wages), the parties agree that this 2% wage adjustment for the detective/investigator position shall not impact or affect the wage differential between the police officer's wage rate and the sergeant's wage rate.

The selection for detective/investigator shall be handled as follows:

- A. Officers must have a minimum of three (3) years seniority to be considered for the detective/investigator position.
- B. Selection for the detective/investigator position will be determined by the Redford Township Police Department as follows:
 - 1. Weighted interview to determine 70% of total score. Interview to be chaired by the Chief of Police or designee, CIB Captain and a mutually agreed upon third party.
 - 2. Personnel file to determine 20% of total score. The score will be based on discipline, training, commendations and documented sick time abuse that resulted in discipline.
 - 3. Seniority to determine 10% of score.

41.10 Oral boards shall be included as part of any promotion of P.O.A.M. members, including promotions to the rank of Sergeant. Personnel files will also be included in the oral board.

41.11 The Township will implement a fitness program, as described in Appendix B.

ARTICLE XLII - PSYCHOLOGICAL COUNSELING AND EVALUATION

42.1: It is agreed by the Union and the Employer that the following language shall govern fitness for duty psychological evaluations and counseling.

42.2: When the Employer has probable cause to believe an Employee may be unfit for duty within the Redford Township Police Department, the Employer may, at the Employer's expense, direct an Employee to undergo psychological counseling and/or evaluation to determine whether the Employee is fit for duty.

- A. The Employer shall designate a psychologist to perform the counseling or evaluation. The Union will have the right to challenge the selection for cause.
- B. The Employee will report at the time and place directed. When the appointment is outside the Employee's normally scheduled shift, the Employer will have the right to change the Employee's schedule. Time spent at the appointment will be considered on-duty time. Employees will be given reasonable time to make the necessary arrangements to be present at the evaluation or counseling.
- C. The Employer will provide the evaluator with a document which specifies the reasons for referral, relevant information from the personnel records, the investigator's report and other relevant documentation.
- D. After evaluation, the doctor shall report in writing to the Employer whether the employee is fit or unfit for duty. If the Employee has been found to be fit for full unrestricted duty, the doctor's report shall only state that the employee is fit for duty and no further medical action will be taken. If the Employee is found to be unfit for duty the doctor shall forward to the Employer recommendations for further treatment and the prognosis of return to restricted or unrestricted duty.
- E. In the event an Employee is found to be unfit for duty, the Employee may, at the Employee's expense, have a doctor of their choosing evaluate the Employee with the same information provided to the Employer's doctor. Should both doctors concur, the Employee will be required as a condition of employment to follow the directions and specification of the Employer's doctor. Should the doctors not concur, the Employer's doctor and the Employee's doctor shall recommend an independent evaluation by a third doctor, who will evaluate the Employee at the Employer's expense with the same information provided to the Employer's doctor. The determination of the majority of the doctors shall be placed into effect, subject to arbitration by either party.
- F. An Employee is entitled to assistance (in non-disciplinary situations) or representation (during the disciplinary process) from the Union. However, an Employee shall report when and where directed, and shall cooperate fully in any

psychological examination or counseling. No one shall be allowed to accompany or represent the Employee during the psychological examination or counseling.

- G. Violations of rules and regulations may be a part of the basis for the Employer's reasonable belief regarding an Employee's fitness for duty. The psychological evaluation will pertain only to fitness for duty. Discipline for the rule violation will be considered separately. However, the Employee's psychological state may be given consideration in assessing the proper discipline to be rendered. The Employer must consider the reports of all the doctors.

42.3: The Employer and Union agree that should an incident arise that is not within the conditions of this psychological counseling/evaluation provision, the parties shall meet and attempt to resolve the matter through negotiation.

ARTICLE XLIII - SAVINGS CLAUSE

43.1: If any section, sentence, clause or phrase of this Agreement is for any reason held to be invalid or illegal such decision shall not affect the validity of the remaining sections, sentences, clauses and phrases of this Agreement or the Agreement as an entirety. Both parties will reconvene to negotiate that section or portion of the Agreement which is found illegal or invalid.

ARTICLE XLIV - COPIES OF COLLECTIVE BARGAINING AGREEMENT

44.1: The Township agrees to deliver a copy of this Agreement to each member of the Union and agrees to provide twelve (12) copies to the Union, for the Union files, and copies of all insurance policies in force and applicable to the members of the Union as governed by this Agreement.

Until successful completion of the entire FTO program, part-time officers may only perform functions or duties in which they have been successfully trained.

- A. There will be no more than twenty-five percent (25%) part-time police officers working patrol on any one shift/platoon at any given time.

ARTICLE XLVIII - DRUG TESTING POLICY

48.1: The purpose of this order is to provide all sworn Officers with notice of the provisions of the departmental drug testing program.

48.2: It is the policy of this department that the critical mission of law enforcement justifies maintenance of a drug-free work environment through the use of a reasonable employee drug testing program.

48.3: The law enforcement profession has several uniquely compelling interests that justify the use of employee drug testing. The public has a right to expect that those who are sworn to protect them are at all times both physically and mentally prepared to assume these duties. There is sufficient evidence to conclude that the use of controlled substances and other forms of drug abuse will seriously impair an Officer's physical and mental health and, thus, job performance.

48.4: Where law enforcement officers participate in illegal drug use and drug activity, the integrity of the law enforcement profession and public confidence in that integrity are destroyed. This confidence is further eroded by the potential for corruption created by drug use.

48.5: Therefore, in order to ensure the integrity of the department and to preserve public trust and confidence in a fit and drug free law enforcement profession, this department will implement a drug testing program to detect prohibited drug use by sworn employees on April 1, 1998.

48.6: DEFINITIONS

- D. Reasonable Suspicion – That quantity of proof or evidence that is more than a hunch, but less than probable cause. Reasonable suspicion must be based on specific, objective facts and any rationally derived inferences from those facts about the conduct of an Officer. These facts or inferences would lead the reasonable person to suspect that the Officer is or has been using drugs while on or off duty.
- E. Probable Cause – That amount of facts and circumstances within the knowledge of a supervisor or the administration which are sufficient to warrant a prudent person to believe it is more probably than not that an Officer is or has been using drugs while on or off duty.
- F. Probationary Officer – For the purpose of this policy only, a probationary Officer shall be considered to be any person who is conditionally employed with the department as a recently hired law enforcement Officer.
- G. MRO – Medical Review Officer – The medical review officer is a physician knowledgeable in the medical use of prescription drugs and the pharmacology and toxicology of illicit drugs. The MRO will be a licensed physician with knowledge of substance abuse disorders. The MRO shall have appropriate medical training to interpret and evaluate an Officer's test results in conjunction with his or her medical history and any other relevant biomedical information.
- H. Last Chance Agreement – A standard letter of conditions for continued employment that is offered by the Chief, or the right to same is invoked by an Officer under certain conditions outlined in this order, after it has been determined that the Officer has violated this order.

 6. Discipline of sworn Officers for any violation of this drug testing policy shall be in accordance with the due process rights provided in the department's rules and regulations, policies and procedures, and the collective bargaining agreement. (The officer may be immediately relieved of duty pending a departmental investigation at the discretion of the Chief of Police or Deputy Chief or his designee, when one of the following occurs:

A probationary recruit Officer shall not be eligible for coverage under the last chance rehabilitation provision set forth in this order, except at the discretion of the Chief of Police or Deputy Chief.

D. Officer Drug Testing

Sworn Officers will be required to take drug tests as a condition of continued employment in order to ascertain prohibited drug use, as provided below:

1. The Township may order an Officer to take a drug test upon document probable cause that the Officer is or has been using drugs. A summary of the facts supporting the order shall be made available to the Officer prior to the actual test.
2. Upon reasonable suspicion the Department may request, through an authorized representative of the Officer's labor association, that an Officer submit to a voluntary drug test. Submission to a voluntary drug test hereunder shall be subject to the frequency limitation found in Article IV, section D, subsection 4 herein. Any Officer voluntarily submitting to a drug test who tests positive as a consequence of said test, shall be eligible to invoke the last chance rehabilitation provisions set forth in this order. Any Officer who refuses to submit to a request for a voluntary drug test shall not be disciplined as a consequence of such refusal, but shall not be eligible for coverage under the last chance rehabilitation provision set forth in this policy for a period of three (3) years.
3. A drug test will be administered as part of any promotional physical examination required by this department.
4. All sworn Officers shall be uniformly tested during any unannounced, random testing required by the department. Random testing for all sworn Officers will not exceed twice in a 365-day period, except for those Officers assigned to the narcotics unit.

2. Laboratory personnel authorized to administer departmental drug test shall require positive identification from each Officer to be tested before the Officer enters the testing area.
3. In order to prevent a false positive test result, a pre-test interview shall be conducted by testing personnel to ascertain and document the Officer's recent use of any prescription or non-prescription drugs, or any indirect exposure to drugs. Divulgence by the Officer of medical information during the pre-test interview is voluntary, however, if the test results are positive, it will be mandatory that the officer divulge the necessary medical information to the Medical Review Officer so that the MRO may determine whether the test result is a false positive.
4. The testing area shall be private and secure. Authorized testing personnel shall search the testing area before an Officer enters same in order to document that the area is free of any foreign substances.
5. Where the Officer appears unable or unwilling to give a specimen at the time of the test, testing personnel shall document the circumstances on the drug-test report form. The Officer shall be permitted no more than eight

hours to give a sample. During that time, the Officer shall remain in the testing area, under observation. Reasonable amounts of water may be given to the employee to encourage urination. Failure to submit a sample shall be considered a refusal to submit to a drug test except for good cause as determined by the MRO..

6. The urine sample will be split and stored in case of legal disputes. The samples must be provided at the same time, and marked and placed in identical specimen containers by authorized testing personnel. One sample shall be submitted for immediate drug testing. 7. All specimen samples shall be sealed, labeled, initialed by the Officer and laboratory technician, and checked against the identity of the Officer. Samples shall be stored in a secured and refrigerated atmosphere until testing or delivery to the testing lab representative.
8. Whenever there is a reason to believe that the Officer may have altered or substituted the specimen to be provided, a second specimen shall be obtained within a reasonable period of time. 3. A specimen testing positive will undergo an additional confirmatory test. The confirmation procedure shall be technologically different and more sensitive than the initial screening test.

Cocaine metabolite	300
Opiate metabolite	300*
Phencyclidine	25
Amphetamines	1000
Barbiturates	300

*25 ng/ml if immunoassay-specific for free morphine

Concentrations of a drug at or above the following levels shall be considered a positive test result when performing a confirmatory CG/MS test on a urine specimen that tested positive using a technologically different test than the initial screening method:

	Confirmatory Test Level (ng/ml)
Marijuana metabolite	15*
Cocaine metabolite	150**
Opiates	
Morphine	300+

9. Any Officer who interferes with the testing process or breaches the confidentiality of test results shall be subject to discipline.

H. Chain of Evidence – Storage

1. Each step in the collecting and processing of the urine specimens shall be documented to establish procedural integrity and the chain of custody.

I. Drug Test Results

1. All records pertaining to departmental-required drug tests shall remain confidential and shall not be provided to other employers or agencies without the written permission of the person whose records are sought.
